**T**Hreicius vates cantu revocabat ab Orco  
Euridicem uxorem, si quid modo fabula veri.  
Quis neget ex Orci tenebris, mastoq<sup>ue</sup> sepultas  
In barathro mentes revocari ad luminis auras  
Voce Luthere tuâ divini carminis æstro.  
Quâ penitas cordis latebras imasq<sup>ue</sup> medullas  
Tangis spem revocans mastis, frontemq<sup>ue</sup> serenam.  
Queis nunc accedis nostri expectatio sæcli  
Museos inter Gotschovi haud ultime cycnos.  
Cujus qui haud capitur divino nectare cantus,  
Cum grege linigero aut calvo hunc plorare jubebo.
